

Cattle Point Road Relocation

CONSTRUCTION NEWSLETTER

Traffic Revision - At Last!

September 17, 2015

CONSTRUCTION ACTIVITIES

Strider Construction delivered a smooth hard grade to San Juan County on Tuesday morning and the county did a stellar job chip sealing the road. Hats off to both the contractor and the county on creating a very good pavement surface. Today, the new alignment portion of the project was chip sealed.

Tomorrow, the west transition section will be chip sealed and the traveling public will be given the new road late in the afternoon.

Please drive carefully and enjoy the view!

Next week, Strider will start decommissioning the old road and seeding the slopes which will cause brief delays.

Shooting the Asphalt

Spreading Rock

Chip Sealing the New Alignment

NEXT WEEK WORK SCHEDULE

Monday 8:30 - 6:30
Tue - Thu 7:00 - 5:00
Friday No Work
